

### REMARKS

Applicant has cancelled claims 1-5, 7, 11, 12, and 16-22, rendering moot the rejections of those claims, both under § 112, second paragraph, and § 103(a).

Applicant gratefully acknowledges the allowance of claim 15.

Applicant has amended claims 6, 8-10, 13 and 14 to be independent claims, including the features of the respective base claims and intervening claims. Applicant also has amended claim 8 to delete the language cited as confusing by the Examiner, thereby obviating the § 112, second paragraph rejection of this claim. These claims are now allowable in view of the Examiner indication of allowable subject matter therein.

Applicant also has further amended claim 8 to delete an unnecessary limitation.

In view of the foregoing amendments and remarks, Applicant submits that all of the remaining claims are in condition for allowance and respectfully requests reconsideration thereof.
